Reliable Quality for Tomorrow

NO. 362

8 August 2025

Dear Valued 555 Customers:

SANKEI INDUSTRY CO., LTD.

305 Takano, Ritto, Shiga, 520-3045, JAPAN

E-mail : info@sankei-555.co.jp

Notice of Product Specification Change (Switching from Metal type to Plastic type)

We are pleased to announce that we will be changing the product specifications for the part numbers listed in the attached document as follows.

■ Changed part numbers
As attached list

■ Details of changes
Before: Metal type
After: Plastic type

*There will be slight changes to the appearance, but all products will undergo quality inspections.
*Performance and quality will meet the same standards as before.

■ Changeover period
Scheduled to be phased in starting with shipments in August 2025.
After the change, all part numbers (555 NO.) will be changed. Regarding the shipment schedule for the changed part numbers, we will notify you separately once it is determined.

We kindly ask for your continued support and patronage.

**THE BEST QUALITY PARTS
FROM THE MOST ADVANCED MFG, FACILITIES**

Tie Rod End. Side Rod Assy. Ball Joint. Idler Arm.

Pitman Arm. Center Link. Drag Link. Inner Arm Shaft.
